BlackBerry Internet Service Terms and Conditions.

- The BlackBerry Internet Solution Terms and Conditions shall apply together with the Orange Enterprise Solution Terms and Conditions
- The minimum period of the agreement is 12 or 24 months and each device on an account is subject to a 24 month minimum term.
- Orange BlackBerry Internet Solution:**
 - Uses certain wireless technology to enable you to send and receive data including e-mail and SMS text messages by means of your device. It is provided over a GPRS/EDGE connection and operates with POP3 and IMAP enabled mailboxes. You can also browse the internet using the RIM BlackBerry WEB browser and Internet Access .
 - Comprises a GPRS/EDGE connection, SIM card and BlackBerry Smartphone.
- The customer is responsible for the following:**
 - Ensuring that there is suitable POP3 or IMAP enabled mailbox for the device/s to access
 - For ensuring that password protection is used with every connection to the service. Neither Orange Botswana nor RIM shall be liable for any losses due to not invoking a password protection. The customer acknowledges that text messages and e-mails are retained on the device even when it is turned off or the SIM card removed.
 - For checking with its Internet Service Provider whether the device may be used with that ISP's services and whether any limitations or restrictions apply
- The customer undertakes to use the device/s only for the purposes of sending, receiving, storing and processing data and voice services
